## AVAILABLE FINISHES

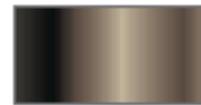

### CHROME

A metallic grey for both sophisticated and relaxed spaces, electroplated Chrome finish is a neutral finish that refreshes black, white and blue colours with a subtle shine.

### MATT BLACK

A classic and enduring shade, electroplated Matt Black refines monochromatic design schemes with distinct white and wood elements.

### BRUSHED NICKEL

A warm silver with a faint golden hue, Brushed Nickel PVD finish is a fair shade ideally paired with off-white tones, marble bench tops and granite textures.

### BRUSHED GOLD

A soft, muted gold with a warm metallic hue, our Brushed Gold offers a unique semi-matte, fingerprint resistant finish that will delight in the home with its bold colour and durability.
